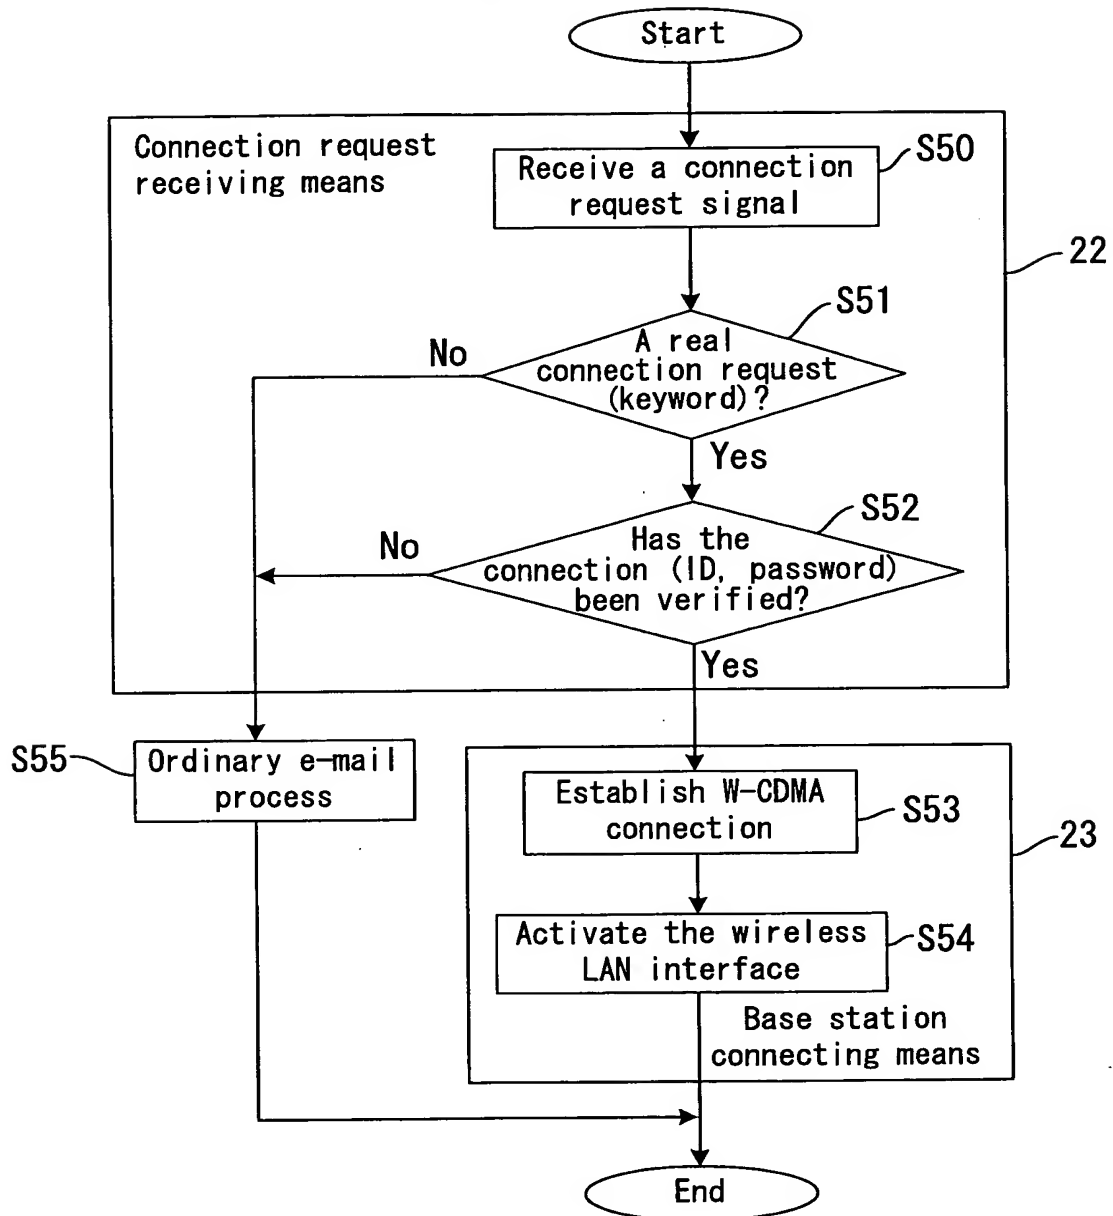

FIG. 9

The diagram illustrates a message header structure, designated by reference numeral 500. It consists of a series of stacked rectangular fields. The first field, labeled 91, contains the text "Destination : xxx@wcdmaphone.com". The second field, labeled 92, contains the text "cc:". The third field, labeled 93, contains the text "Subject: connect". The fourth field, labeled 94, contains two lines of text: "ID: WLAN" and "PW: 12345678". A line labeled 97 points to the boundary between the third and fourth fields.

91	Destination : xxx@wcdmaphone.com
92	cc:
93	Subject: connect
94	ID: WLAN PW: 12345678
